**29th Sunday in Ordinary Time (Year B)**  
**21st October 2018**

Dear Parishioners,

This weekend **Fr Bollar** will be away for an 8-day Holy Land pilgrimage. After returning from the pilgrimage, he will go for his annual leave in Goa. We wish Fr Bollar will have a safe and blessed pilgrimage and break.

While Fr Bollar is away, **Fr John Spiteri** will replace him until 15<sup>th</sup> December. Fr John comes from our South Melbourne fraternity, and had many years of experience in Parish ministries. Before moving to South Melbourne, Fr John was Parish Priest of Guardian Angels Parish in Wynnum. We welcome Fr John and thank him for helping us.

This weekend, **Catholic Mission** will speak to us about their annual Church Appeal. The appeal this year focuses on the power of education to heal the people and build the nation of Myanmar. The funds raised through the Church Appeal contribute to vital faith and community building projects in mission lands around the world. Your support is crucial in ensuring all of God's people can have life to the full.

The recent earthquake in Lombok near Bali, followed by an earthquake and tsunami in Palu – Sulawesi, Indonesia left widespread death, destruction and displacement. Next Sunday 28<sup>th</sup> October, at all the masses in our two parishes we will take up a third collection to raise money for the survivors and victims of this recent disaster. I ask you to be generous in giving to this cause.

Reflections from our young people who attended the Ignite Conference continues from last week.

**"Efficient with things, effective with people"**

Those lines kept me going throughout the conference, wondering what it all meant. By the end it was pretty clear. Being connected with people or loved one, showing that you care and willing to be there when they need you. Over all ignite conference was a great experience, knowing the truth and finding out who you are and how to work on it and be a better person not just for you, but the people around you.  
 from **Simeon**

I just wanted to thank the parish for giving me another opportunity to attend the ignite conference. It's amazing to see how much I have grown, both as an individual and in my faith. I have understood my purpose and I am ready to face challenges because i could connect with these people. In the four days, one word could not describe my feelings and experiences. My favourite and most insightful part of this event was the rallies. It was simply powerful to see everyone stand up with their arms raised in praise and worship. The speakers at these rallies defined our theme of being **EMPTY** so that God can fill us up, that we are loved and we should let go of all our chains (sins) that are holding us down. Everyone at the conference had a happy vibe, everyone being friendly and outgoing which made us all feel welcome.  
 from **Nadia**

Ignite conference this year was so good. It was easier to find my way around since it was my second time going and so I could help the others find their way. The rallies were amazing; we were already in the mosh pit on the first night. The keynotes and guest speakers were all very interesting to listen to and hear their stories and I've taken many notes and life lessons from them like it is easier to let things go and not

Alleluia!

#### Gospel

Mark 10:35-45

James and John, the sons of Zebedee, approached Jesus. 'Master,' they said to him, 'we want you to do us a favour.' He said to them, 'What is it you want me to do for you?' They said to him, 'Allow us to sit one at your right hand and the other at your left in your glory.' 'You do not know what you are asking' Jesus said to them. 'Can you drink the cup that I must drink, or be baptised with the baptism with which I must be baptised?' They replied, 'We can.' Jesus said to them, 'The cup that I must drink you shall drink, and with the baptism with which I must be baptised you shall be baptised, but as for seats at my right hand or my left, these are not mine to grant; they belong to those to whom they have been allotted.'

When the other ten heard this they began to feel indignant with James and John, so Jesus called them to him and said to them, 'You know that among the pagans their so-called rulers lord it over them, and their great men make their authority felt. This is not to happen among you. No; anyone who wants to become great among you must be your servant, and anyone who wants to be first among you must be slave to all. For the Son of Man himself did not come to be served but to serve, and to give his life as a ransom for many.'

#### Communion Antiphon

Cf. Ps 32:18-19

Behold, the eyes of the Lord are on those who fear him, who hope in his merciful love, to rescue their souls from death, to keep them alive in famine.

## 2 Minute Catechism

### The four principles of the church

When we recite the Nicene Creed during mass it encompasses the fundamentals of what Catholics believe in. The Creed further states that we believe in "One, Holy, Catholic and Apostolic Church". Let's look at each of these.

#### One – Unified

A fundamental characteristic of the church is her unity. The church is united under the Magisterium of the Papacy. That is, there is a hierarchy headed by the Pope that unifies us. All successful organizations have someone who leads it. For Catholics this is the Pope – who we believe is guided by the Holy Spirit. This means that Catholics can assure themselves that the articles of faith are unified.

#### Holy - Sacred

We believe that mother church is Holy. It does not mean that all of us or our leaders are guaranteed to be holy. Since the Church is the bride of Jesus she is Holy – and is not dependent upon the holiness of mankind. For Catholics this means we can experience the holiness of the church in the celebration of the mass, sacred scriptures and in the unified Liturgy of the Hours prayers – just to name a few of the important ones.

#### Catholic – Universal

The word Catholic itself means universal. The church is not limited to any country, race, nation nor culture. Today literally every spoken language in the world has been used in the celebration of the mass. The pope is the head of the church and is the bishop of Rome – but it is not just an Italian church. What it means to Catholics is that they can travel anywhere in the world and experience the mass. While the mass may be spoken in many languages – we all speak and hear the same language of Holy Mother Church.

#### Apostolic – Continuity

The word Apostle means sent forth – as Jesus sent the 12 Apostles forth to bring the Good News to the four corners of the earth. While Jesus had many followers or disciples, He handpicked 12 special men to build his church upon and told Peter that he was the "rock" of that church. Sacred scripture – particularly the Acts of the Apostles - and tradition provides Catholics with the history of the early church. Peter became the first "Pope" of the Catholic Church and his leadership was passed on to another man and to another man right up to modern times.

In a like manner the Apostles commissioned other men in their travels by the "laying on of hands" to assist in this effort. We call this "Ordination" today and it is one of the 7 Sacraments – which have continued on in every century since then. This means that Catholics can trace our origins and all of our priests can also trace their ordination back to the very beginning of Christianity – almost 2000 years ago.

**We are One, Holy, Catholic and Apostolic.**

### November Masses

These are offered for the living and the dead, our deceased relatives, friends and benefactors, and for those other deceased in need of God's mercy.

In November, the month of the Holy Souls, we especially pray for the Faithful departed. You can find the November envelopes at the entrance of the church or on the pews. The recommended minimum stipend for one November Mass (by Archdiocesan law) is \$20.

Please put the names of the deceased you wish to be remembered on the envelopes provided and place them in either Sunday collection.

have 'cluttered life' and experience new and exciting things and to the full. The adoration was very emotional. I prayed and sang and I felt like Jesus was in the room with me. Thanks to Fr Bollar and Greg for taking us and letting us experience this amazing conference. Overall, ignite this year was really good and I can't wait for next year if am able to go.

from **Rosanne**

I'd like to start off by thanking the parish for providing me this wonderful opportunity to experience something new and amazing at ignite. It was strengthening to know that there are thousands of other teenagers just like me, proud to represent their catholic faith. I also think that ignite did a good job in engaging the teenagers by integrating their faith with things that catch the attention of modern day teenagers, like music. The workshops were great and very informative, and I learnt a lot from each of them which i mostly have implemented into my daily life. I'm already looking forward for next time and I would 100% recommend the event to any teenager or young adult.

Everyone welcome!

### Our parish will conduct the annual Catholic Mission Church Appeal THIS WEEKEND

This weekend our parishes will be holding the annual Catholic Mission Church Appeal. This year we are invited to help to heal a nation through education in Myanmar. Led by Cardinal Charles Maung Bo, the Church is developing an alternative system of quality education, with comprehensive teacher training programs and the establishment of new schools, especially in remote areas. It has been called an "education revolution", and the potential impact is far-reaching. Please come prepared next weekend and give generously to this important work. You will have an opportunity to become an integral part of this inspiring work by joining as a monthly giving partner. This regular contribution will directly support education in Myanmar.
